Look at me now  
I thought I was near the end  
Then you came along  
When I needed a friend  
And you made me love again

Somehow you found me  
Wrapped your love around me  
Now my head's up in the clouds  
When I'm around you  
I just wanna say, everyday  
Thank God I found you  
I will move heaven and earth  
Give you my heart, for all that its worth  
You are mine 'til the end of time  
I don't care what we're going through  
'Til the end, my heart belongs to you

You are my heart  
You are my everything  
The moon and the stars  
And the air that I breath  
And you gave me strength again

Somehow you found me  
Wrapped your love around me  
Now my head's up in the clouds  
When I'm around you  
I just wanna say, everyday  
Thank God I found you  
I will move heaven and earth  
Give you my heart, for all that its worth  
You are mine 'til the end of time  
I don't care what we're going through  
'Til the end, my heart belongs to you

You know why I'm love shy  
I don't want to hurt anymore  
I've been hurt before  
And I know I  
I'm saving my love for you  
I'm gonna keep you safe and warm

I do love you

Now my head's up in the clouds  
When I'm around you  
I just wanna say, everyday  
Thank God I found you  
I will move heaven and earth  
Give you my heart, for all that its worth  
You are mine 'til the end of time  
I don't care what we're going through  
'Til the end my heart belongs to you

My heart belongs to you
