Every night in my dreams, I see you, I feel you  
That is how I know you go on  
Far across the distance and spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart and my heart will go on  
and on

Love can touch just one time and last for a lifetime  
And never let go till we're gone  
Love was when I loved you, one true time I hold you  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart and my heart will go on  
and on

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart and my heart will go on and  
on
