Hey you, Big Star
Tell me when it's over
Hey you, big mood
Guide me to shelter
'cause I'm through
When the two
hits the six and it's summer

cloud
COME
Shove it Shove it Shove it
SHOVE
Shove it Shove it Shove it
THE SUN
Shove it Shove it Shove it
ASIDE
Shove it aside

I think god is moving
It's tounge
Theres no crowds in the street
And no sun in
(my own summer)
The shade is a tool
A device
A saviour
See I try and look up
To the sky
But my eyes burn

cloud
COME
Shove it Shove it Shove it
SHOVE
Shove it Shove it Shove it
THE SUN
Shove it Shove it Shove it
ASIDE
Shove it aside

I think god is moving
It's tounge

Theres no crowds in the street
And no sun in
(my own summer)

In my
Own
Summer
