I used to pride myself on being the other man
But now it's flipped and I don't want u with no other
man
Why can't u understand anything I'm offering
I gave you the world but you just wanted arguing
From the time I picked you up, until the time I dropped
u off again
Even flipped out on me at the mall again
"it's all his fault again" that's what u telling all ya
friends
I aint pointing fingers ma, I just wanna call again
See how ya day going I know they stressin on ya
I know them times get hard that's why I'm checkin on ya
It's yours truly ma, I got a little message for ya
Anything he can do, girl I can do it better for ya, cause

[Bridge]

When we laugh or we cry it's together
Through the rain and the stormiest weather
We gon still be as one it's forever, it's forever

[Chorus]

Won't you come on and go with me
Come on ova to my place
Won't you sit ya self down and take a seat
And let me ease ya mind girl
We gon do it our way

I heard your friend told a friend that told a friend of
mine
That you was thinking that we should do it one more
time
If this aint the truth then hopefully it's not a lie
Cause I aint got no issue's with hitting at another time
We never had a problem gettin it done
Disagreed upon a lot ma but the sex wasn't one
Now check it I know u get excited (still) when I come
round and bite it (girl)
Quit frowin up and quit actin like you don't like

I like it, I like it, I really, really like it, I want it, adore it,
so come let me enjoy it

[Bridge]

When we laugh or we cry it's together
Through the rain and the stormiest weather
We gon still be as one it's forever, it's forever

[Chorus]

Won't you come on and go with me
Come on ova to my place
Won't you sit ya self down and take a seat
And let me ease ya mind girl
We gon do it our way

Shawty where u been
Feels like a long time, long, long time since I seen ya
Yes it has girl, when I know I said some fucked up
things to u before
But girl u know I didn't mean it
(I didn't mean one single word)
(I never meant one single word)
If I could take back every word I would and more fo sho
If I thought that you believe it
Cause you make my life so convenient for me

[Bridge]

When we laugh or we cry it's together
Through the rain and the stormiest weather
We gon still be as one it's forever, it's forever

[Chorus]

Won't you come on and go with me
Come on ova to my place
Won't you sit ya self down and take a seat
And let me ease ya mind girl
We gon do it our way
