By the gold light of your halo
I wanna nail ya
Give you lovin' and devotion
That won't ever fail ya

Wanna run my mouth
Over your wounds
And fall on the ground
And the holes in your hands
And your feet they help to nail you down

Nail ya down
Nailed, nailed, nailed
They made you Christ
To get ya nailed

When you hover in the night
Like a holy vision
With the crimson and the purple
Of your incision

Wanna run my fingers through your hair
And over your pale skin
On the fringe, shit, Jesus Christ man
You sure wanna nail him

Get ya nailed
Nailed, nailed, nailed
They made you Christ
To get ya nailed

He died for me
Died for no one else
He died for no one

And he'd see and complain
Oh, the sweet
And the sigh, to pain

And your heart is left out
Naked and exposed
I wish that you had

Left more to the eye

And I can't find the words
To say I love you
And why and why and why
And why and why? Ha

Nailed, nailed, nailed
It's just a fight
To get ya nailed
They sent you Christ
To get ya nailed, ooh ooh ooh
