Did you see any action, did you make any friends?
Would you like some affection before I leave again?
I've been walkin' behind you since you've been able to see
There's never been any reason for you to think about me

Did you have any bad dreams, did you break any glass?
Would you be my companion, is there even a chance?
You've been talkin' in circles since I've been able to cry
There's never been any reason for ever tellin' me why,
yeah yeah

Save my life, I'm going down for the last time
Woman with the sweet lovin', better than a white line
Bring a good feeling ain't had in such a long time
Save my life, I'm going down for the last time

Have you ever been lonely, do you have any fun?
Do you ever think of me, I'm just no one, yeah
You never give me no answer, you never tell me the truth
There's never been any reason for me to think about you
There's never been any reason, there's never been any reason
Yeah, there's never been any reason

Save my life, I'm going down for the last time
Woman with the sweet lovin', better than a white line
Don't you know she could bring a good feeling
Ain't had in such a long time?
Save my life, I'm going down for the last time, oh

Save my life, I'm going down for the last time
Save my life, I'm going down for the last time
Save my life, I'm going down for the last time
Save my life, I'm going down for the last time
Save my life, I'm going down for the last time
