Uh oh, uh oh, uh oh, uh oh
Honestly
If I tell
Tell you what
What you want to know love

There ain't another
I don't want no other lover
I put nothin' above ya
I kick them to the gutter
They tryin' to shake me
Ya know ya lovin' me crazy now
Look at us lately
And tell 'em who's your lady

I never thought you'd be the one
To make me shine brighter then the sun
There ain't no ups and downs
No in and outs
We're here right now

If you want me to stay
I'll never leave
If you want me to stay
We'll always be
If you want me to stay
Love endlessly
If you want me to stay
If you want me to stay
Then I'll never leave you

Uh oh, uh oh, uh oh, uh oh

Now that your lovin' back
We're happy it's a fact
Can't nothin' hold us back
We got this in the bag
There ain't no maybe
No question of your baby now
Look at us lately
And tell 'em who's your lady

I never thought you'd be the one
To make me shine brighter than the sun
There ain't no ups and downs
No in and out
You're here right now

If you want me to stay
I'll never leave
If you want me to stay
We'll always be
If you want me to stay
Love endlessly
If you want me to stay
If you want me to stay
Then I'll never leave you

Uh oh, uh oh, uh oh, uh oh
Uh oh, uh oh, uh oh, uh oh
