Absolution is out of the question
It makes no sense to apologize
The words I thought, I brought
I left behind

So nevermind, all over but the shouting
It's just a waste of time
Nevermind, all over but the shouting
It's just a waste of time

I'm not ready as I'll ever be
I climb the walls, I fall into the sea
I'm not ready
As I'll ever be

And I suppose your guess
Is more or less as bad as mine

All over but the shouting
It's just a waste of time
Nevermind, all over but the shouting
It's just a waste of time

And I suppose your guess
Is more or less as bad as mine

You oughta tell me
You oughta say if you're not sure
You oughta tell me
You've got to help me remember

Nevermind, all over but the shouting
It's just a waste of time
Nevermind, all over but the shouting
It's just a waste of time

Nevermind, nevermind
Nevermind, nevermind

The words I thought, I brought
I left behind so nevermind
