Wake up kids  
We've got the dreamers disease  
Age 14 we got you down on your knees  
So polite, you're busy still saying please  
Fri-enemies, who when you're down ain't your friend  
Every night we smash their Mercedes-Benz  
First we run and then we laugh till we cry  
But when the night is falling  
and you cannot find the light  
If you feel your dream is dying  
Hold tight  
You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget you only get what you give  
Four a.m. we ran a miracle mile  
were flat broke but hey we do it in style  
The bad rich  
God's flying in for your trial

[chorus]

This whole damn world can fall apart  
You'll be ok follow your heart  
You're in harms way  
I'm right behind  
Now say you're mine

[chorus]

Fly high  
What's real can't die  
You only get what you give  
Just don't be afraid to leave  
Health insurance rip off lying FDA big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying

Fashion mag shoots  
with the aid of 8 dust brothers Beck, Hanson  
Courtney Love and Marilyn Manson  
You're all fakes  
Run to your mansions  
Come around  
We'll kick your ass in!  
Don't let go  
One dance left

[unsaid lyrics from liner]  
Championed by a soulless media misleading  
people unaware they're bleeding  
No one with a brain is believing  
It's so sad you lost the meaning  
Never knew it anyway  
Human natures so predictable  
I'm a fool to do your dirty work whoa, whoa
