Let me out, slow it down Iâ€Â™ II get off here Itâ€Â™s been a rush for both of us But I just can't shake this fear

So Iâ€Â™ II go away, with nothing to say But you¢Â€Â™ re gonna be just fine We got all off track, so lâ€Â™ m putting you back Maybe youâ€Â™ II get it right next time

A fairy tale, weâ€Â™ d never fail It all looked so good Now you want more, but Iâ€Â™ m not sure That I ever could give you all that you need

So Iâ€Â™ II go away, with nothing to say But youâ€Â™ re gonna be just fine We got all off track, so Iâ€Â™ m putting you back Maybe you¢Â€Â™ II get it right next time, next time

By the time I came back home You were gone

Now I close my eyes and I try to fight The pain in my heart But I still relive and I cannot forgive The night I tore us, I tore us apart

And I went away, with nothing to say But youâ€Â™ re gonna be just fine We got all off track, so I put you back Thinking youâ€Â™d get it right next time

And I went away, with nothing to say But youâ€Â™ re gonna be just fine We got all off track, so I put you back Maybe Iâ€Â™ II get it right next time, next time, next time
