We're not indestructible  
Baby better get that straight  
I think it's unbelievable  
How you give into the hands of fate

Some things are worth fighting for  
Some feelings never die  
I'm not asking for another chance  
I just wanna know why

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Giving in can't be wrong

I don't wanna pacify you  
I don't wanna drag you down  
But I'm feeling like a prisoner  
Like A stranger in a no-name town

I see all the angry faces  
Afraid that could be you and me  
Talking about what might have been  
Thinking about what it used to be

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Giving in can't be wrong

Baby, baby we can shed this skin  
We can know how we feel inside  
Instead of going down an endless road  
Not knowing if we're dead or alive

Some things are worth fighting for  
Some feelings never die  
I'm not asking for another chance  
I just wanna know why

There's no easy way out  
There's no shortcut home

There's no easy way out  
Givin' in, givin' in, can't be wrong

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Givin' in, givin' in, can't be wrong

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Givin' in, givin' in, can't be wrong
