"No Parking"

Excuse me, madam
You're standing still in a no parking zone
You don't get a move on that body
I'll be forced to give you a ticket, so get with it

There's a party tonight, you're in a red light zone
If you don't want a ticket you better move on
If you break the law you gotta pay your dues
Ain't much better if you play it by the rules

'Cause it's so easy, and it's so right
It's so easy to rock it with your body, baby
It's so easy, it's so right
It's so easy if you drive it all night

No parking, baby
No parking on the dance floor
No parking, baby
No parking on the dance floor

Let me hear you blow your horn
Shake it, baby
Rock it, baby

Movin' violations are easy to fix
Just tell the DJ to fix it in the mix
Shake it up and shake it on down
Let me feel you movin', you gotta get down

'Cause it's so easy, and it's so right
It's so easy to rock it with your body, baby
It's so easy, it's so right
It's so easy if you drive it all night

No parking, baby
No parking on the dance floor
(I wanna say it again)
No parking, baby
No parking on the dance floor

Shake it, baby

Rock it, baby

Rock it, work it
Shake it, don't drive it
Baby, baby, baby

Don't park your booty, don't park your can
It's time to party, it's time to jam
Don't park your booty, don't park your can
It's time to party, it's time to jam

Don't park your booty, don't park your can
It's time to party, it's time to jam
Don't park your booty, don't park your can
It's time to party, it's time to jam

No parking, baby
No parking on the dance floor
(No, no)
No parking, baby
No parking on the dance floor
