I got you, I got you on my mind
And it's time to make you see
So I'll just make this a little more obvious
'Cause I get what I want and I want you to get with me

Don't think you know how far I'm gonna do

You can't stop this feeling, you cannot run away
Baby I'm what's on your mind
You can't stop this feeling, there's no escape
No sleep tonight, you won't get no sleep tonight

You want me, you want me all the time
And you don't need nothing else
But you seem to be a little oblivious
So I'll show you the way if you think that you need some
help

Tell me baby are you coming with me

You can't stop this feeling, you cannot run away
Baby I'm what's on your mind
You can't stop this feeling, there's no escape
No sleep tonight, you won't get no sleep tonight

No sleep tonight, no sleep tonight

Boy, you won't be sleeping, no sleep tonight
Do I have to spell it out in black and white?
Boy, you won't be sleeping, no sleep tonight
Do I have to spell it out in black and white?

No sleep tonight, no sleep tonight
No sleep tonight

You can't stop this feeling, you cannot run away
Baby I'm what's on your mind
You can't stop this feeling, there's no escape
No sleep tonight, you won't get no sleep tonight

No sleep tonight, no sleep tonight
No sleep tonight, no sleep tonight

No sleep tonight, no sleep tonight
No sleep tonight, no sleep tonight
