I moved your pictures from my wall  
And I'll replace them, both large and small  
And each new day finds me so blue  
Nothing takes the place of you  
I read your letters, one by one  
And I still love you, when it's all said and done  
And oh my darling, I'm so blue  
Because nothing, oh nothing, takes the place of you  
As... I write this letter  
It's raining on my windowpane  
As... I feel the need of you  
Because without you nothing seems the same  
So I'll wait until you're home  
Again I'll love you but I'm all alone  
And oh, my darling, I'm so blue  
Because nothing, oh but nothing takes the place of you
