"Now that were men, we can do anything!  
now that were men we are invisible!  
now that were men were going to change the sea,  
Mr. krabs and save the land and mr. krabs!  
Now that were men we have facial hair,  
now that were men "i changed my underwear!"  
now that were men we have a manly flair  
were done in the south, were tough to save the day!  
we never had a chance when we were kids!, NO NO NO!  
Now were big to work the manly dip HA HA HA!  
HOORAY!  
Now that there men we shall honor them,  
now that there men they have become our friends!  
now that there men there will there will be a happy end!  
they will pass the test and finish the quest for the  
crown,  
they will pass the quest,  
and finish the quest for the crown!,  
they will pass the test and finish the quest for the  
crown!
