In these eyes, more than words  
More than anything that I've spoken  
As the skies turn to gray  
My heart's just about to crack open

So the story goes  
There's something you should know  
Before I walk away  
And I blow the ending

I never want to be without you  
Oh, no, here I go, now you know  
What I feel about you  
There's no runnin'

I must have been wrong to doubt you  
Oh no, there I go, no control  
And I'm fallin'  
So now you know

Feel so right, craving oxygen  
All this truth's left me empty  
When you run, can you handle it?  
'Cause I need you to tell me

Maybe this is bold  
But I'm hoping you will stay  
For the happy ending

I never want to be without you  
Oh, no, here I go, now you know  
What I feel about you  
There's no runnin'

I must have been wrong to doubt you  
Oh no, there I go, no control  
And I'm fallin'  
So now you know

No, I won't look back  
When I tell you what I think about you  
No, I won't look back

When I tell you what I think about you

So the story goes  
Yeah, you already know  
So don't be a fool  
And go spoil the ending

I never want to be without you  
Oh, no, here I go, now you know  
What I feel about you  
There's no runnin'

I must have been wrong to doubt you  
Oh no, there I go, no control  
And I'm fallin'  
So now you know

I never want to be without you  
Oh, no, here I go, now you know  
What I feel about you  
There's no runnin'

I must have been wrong to doubt you  
Oh no, there I go, no control  
And I'm fallin'  
So now you know
