O...Let me tell you girl
Oh...hey here I go, here I go

I know you heard me say it
Time and time again
But they would watch your world
And change your life
But I can't blame them
Cause you make a nigga wanna get involved
Wanna get the draws
Well I'm gone put my bid in
And try to get at you
No disrespect but I want it as bad as they do
The only difference is
they look out for themselves
But I'm doin' it just to hear you yell..yeah

[Chorus]
O...that's gonna be the sound
Girl when it's goin' down
Your body sayin' O...
Don't have to say my name
Girl I'm just glad you came
So you can say O...
In the morning O...
In the night
You sayin' O...
Means I was in it right O...
You can't be mad at me
I'm just aiming to please
Let me hear you scream O...

Girl come over and
Let's get this thing crackin'
You'll be surprised when
You see what O's I'm packin'
Cause I'm young but I'm ready
Trynna get hot and heavy
Tell you what if you let me
yeah, yeah
Girl I'm gone take you
Somewhere that never been

Show you some things that
Make you wanna show your friends
Have you so weak that you
Can't even say a thing
But that's okay all you gotta say

[Chorus]

O...that's gonna be the sound
Girl when it's goin' down
Your body sayin' O...
Don't have to say my name
Girl I'm just glad you came
So you can say O...
In the morning O...
In the night
You sayin' O...
Means I was in it right O...
You can't be mad at me
I'm just aiming to please
Let me hear you scream O...

O is for that overtime I'm puttin' in
We'll go for hours take a break
And go at in again
Girl I work my way from A
All the way to Z
But trust me baby girl
O is where you wanna be
Couldn't believe me when I tell you
I'm not trynna tell you what to do
Cause when it's said and done
The choice ain't mine it's really up to you
Just say yes don't fix your mouth
To tell me no drop the bottom
Jaw for me and just say O...

[Chorus]

O...that's gonna be the sound
Girl when it's goin' down
Your body sayin' O...
Don't have to say my name
Girl I'm just glad you came
So you can say O...
In the morning O...
In the night
You sayin' O...
Means I was in it right O...
You can't be mad at me
