When I don't know what I need  
I need to get on my knees  
When waves of doubt crash over me  
I need to get on my knees

On my knees I find refuge  
On my knees I find grace  
On my knees I can feel You  
Like we're meeting face to face  
When I don't know what I need  
I need to get on my knees

When I don't have strength to stand  
I need to reach for Your hand  
When life feels like sinking sand  
I need to reach for Your hand

In Your hand I find refuge  
In Your hand I find grace  
In Your hand I can feel You  
Like we're meeting face to face  
When I don't have strength to stand  
I need to reach for Your hand

When life leaves me with no choice  
I must listen for Your voice  
When lies confuse me with their noise  
I must listen for Your voice

In Your voice I find refuge  
In Your voice I find grace  
In Your voice I can feel You  
Like we're meeting face to face  
When life leaves me with no choice  
I will listen for Your voice

On my knees I find refuge  
On my knees I find grace  
On my knees I can feel You  
Like we're meeting face to face  
When I don't know what I need

I need to get on my knees
