Once upon a time there was a princess. [echoes]
She got cast under a magical spell
I know you
I danced with you once upon a dream
I know you
I danced with you once upon a dream
I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes is so familiar of me
Once upon a dream in a magical kingdom
A beautiful princess fell into a long deep sleep
(I've been dreaming about you)
Only kiss from a handsome prince could awake her
So he could tell her how lovely she is
(Wake me up)
I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes is so familiar of me
Yet I know it's true
That visions are seldom what they seem (come on and
dance)
I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream
(Wake up me Prince Charming
I've been dreaming about
Wake me up Prince Charming
Make my dreams come true)
Once upon a dream
I know you
I know you
I know you
I know you
The prince is waiting
I know you
I danced with you once upon a dream
I know you

I danced with you once upon a dream
I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes is so familiar of me
Yet I know it's true
That visions are seldom what they seem (come on and
dance)
I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream
I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes seems so familiar of me
Yet I know it's true...
