You want all my love and my devotion
You want my love and soul right on the line
I have no doubt that I could love you forever
The only trouble is you really don't have the time

You've got one night only, one night only, that's all you
have to spare
One night only, let's not pretend to care
One night only, one night only, come on big baby come
on
One night only, we only ask you don't

In the mornin' this feelin' will be gone
It has no chance goin' on
Something so right has got no chance to live
So let's forget about chances, its one night I will give

One night only, one night only, you'll be the only one
One night only, turn your arms around, oh
One night only, one night only, there's nothin' more to
say
One night only, once get in the way
One night only, one night only, one night only
