Every time you come around
I feel my world starts turning topsy-turvy
And I just can't fight the spin

Baby, won't you listen to this love
Whose hearts been missing and don't hurt me
'Cause I'm falling your way again

Am I weak
Well, sometimes I just can't hardly speak
That I have to pinch myself to be sure
That this love is more than I can endure
Sweet thing, you've got me signing

Ooo la la la
It's the way that you feel when you know
it's real
Ooo la la la
It's the warm that's inside when
you're satisfied

Ooo la la la
It's a dream that lasts forever
Ooo la la la
Let's stay together, oh

I can see it there
That look upon your face is saying love's in
making
Boy, I know what's on your mind

Love is for the lasting
And it's you're just for the asking for the taking
'Cause I'm falling your way this time

Do I thrill
Well, sometimes I get subliminal chills
That I have to pinch myself to be sure
That this love is more than I can endure
Sweet thing, you got me singing

Ooo la la la

It's the take to the sky on a natural high
Oo la la la
It's the heaven that's sent when your
heart's content

Oo la la la
It's a dream that lasts forever
Oo la la la
Let's stay together

Oo la la la, don't ever go
Cause I love you so, I love you so, baby
Oo la la la, don't ever go
Cause I'll surely die if you ever say
goodbye, my baby

You got me falling
Falling for you, falling with you
Falling to you, falling after you
Falling

Ooh, sweet thing, you got me singing
Oo la la la la la la la la la
Sweet thing, whoa, you got me singing
Oo la la la la la la la la la
Sweet thing, whoa, you got me singing

Oo la la la la la la la la la
Sweet thing, oh, you got me singing
Oo la la la la la la la la la
Sweet thing, oh, you got me singing

Oo la la la
It's the way that you feel when you know
it's real
Oo la la la
It's the warm that's inside when
you're satisfied

Oo la la la
It's a dream that lasts forever
Oo la la la
Let's stay together

Ooh, ooh
Sweet, ooh, ooh, ooh, ooh
Ooh, ooh
Sweet thing, ooh

You know everybody
Sometimes you should just stop

And take some time out to tell the one you love
Just how much they mean to you

Because you see, sometimes the needs of the one
Outweigh the needs of the many
And if you understand what I'm talkin' about

Let me hear you say, Yeah
Let me hear you say, Yeah, yeah, yeah
Let me hear you say, Yeah, yeah, yeah
Let me hear you say, Yeah
Oh, I'm givin' it up to you

I said I'm falling
(Ooo la la la)
I said I'm falling
(Ooo la la la)

I said I'm falling
(Ooo la la la)
I said I'm falling
(Ooo la la la)

I said I'm falling
(Ooo la la la)
I said I'm falling
(Ooo la la la)
(Ooo la la la)
