Whose eyes am I behind?  
I don't recognize anything that I see  
Whose skin is this design?  
I don't want this to be the way that you see me

I don't understand anything anymore  
And this web that I'm tied up  
Is taking me right up these walls  
That I climb up  
To get to your story  
It's anything but ordinary

And when the world is on its knees  
With me, it's fine  
And when I come to the rescue  
I get nothing but left behind  
Everybody seems to be getting what they need  
Where's mine?  
'Cause you're what I need so very  
But I'm anything but ordinary

Can you save me from this world of mine  
Before I get myself arrested with this expectation  
You are the one  
Look what you've done  
What have you done?  
This is not some kind of joke  
You're just a kid  
You weren't ready for what you did, no

And when the world is on its knees  
With me, it's fine  
And when I come to the rescue  
I do it for you  
Time after time  
Everybody seems to be getting what they need  
Where's mine?  
'Cause you're what I need so very  
But I'm anything but ordinary

I think I'm trying to save the world for you

You've been saving me, too.  
We could just stay in and save each other

I'm anything but ordinary  
I'm anything but ordinar
