[MIMI:]

What's the time?
Well it's gotta be close to midnight
My body's talking to me
It says, 'Time for danger'

It says 'I wanna commit a crime
Wanna be the cause of a fight
I wanna put on a tight skirt and flirt
With a stranger'

I've had a knack from way back
At breaking the rules once I learn the games
Get up life's too quick

I know someplace sick
Where this chick'll dance in the flames
We don't need any money
I always get in for free
You can get in too
If you get in with me

Let's go out tonight
I have to go out tonight
You wanna play?
Let's run away
We wont be back
Before it's New Year's Day
Take me out tonight (meow)

When I get a wink from the doorman
Do you know how lucky you'll be?
That you're on line with the feline of
Avenue B

Let's go out tonight
I have to go out tonight
You wanna prowl
Be my night owl?
Well take my hand we're gonna howl
Out tonight

In the evening I've got to roam
Can't sleep in the city of neon and chrome
Feels too damn much like like home
When the spanish babies cry

So let's find a bar
So dark we forget who we are
Where all of the scars from the
Nevers and maybes die

Let's go out tonight
I have to go na na na out tonight
You're sweet
Wanna hit the street?
Wanna wail at the moon like a cat in
Heat?
Just take me out tonight

Please take me out tonight
Don't forsake me - out tonight
I'll let you make me - out tonight
Tonight - tonight - tonight
