"Over the Moon"

Last night, I had a dream
I found myself in a desert called Cyberland
It was hot
My canteen had sprung a leak and I was thirsty
Out of the obice walked a cow, Eelsey
I asked if she had anything to drink she said
"I'm forbidden to produce milk
In Cyberland we only drink Diet Coke"
She said...
Only thing to do is just over the moon
They've closed everything real down
Like barns and trophs and...
Preformin' Spaces
And replaced it all with lies and rules and
Virtual Life... But there is a way out

OOOOOOO

Only thing to do is jump over the moon

I gotta get outta here
It's like i'm being tied to the hood of
a yellow rental truck being packed in with fertilizer
and fuel oil pushed over a cliff by a suicidal
mickey mouse
I gotta [18x] find a way...
to jump over the moon
Only thing to do is jump over the moon
Then a little bulldog entered
His name we have learned was Benny
And although he once had principles
he abandonded to live as a lapdog to a wealthy
daughter of the
revolution
1..2..3
That's bull he said
Ever since the cat took off with the fiddle that cows
been jumpy
And the dish and the spoon were evicted from the table
and eloped
And she had trouble with the milk
and the moon ever since maybe it was a female thing

But who'd wanna leave cyberland anyways!
Walls ain't so bad
The dish and the spoon for instance
their down on their luck they come knockin' on my
doghouse door
and i said "Not in my backward utensils, go back to
china!" (bideebong)
The only way out is up, elsey whispered to me
A leap of faith
"Still Thirsty??" Parched
"Have some milk"
As I lowered myself beneath her swollen udder
and sucked the sweetest milk,
i have ever tasted!
Climb on board she said
and as a harvest moon rose over cyberland
we reared back we sprang into a
gallop, leaping out of orbit i awoke singing
Oooh
Only thing to do
Only think to do is jump
Only thing to do is jump Over the moon
Only thing to do is jump Over the moon
Over the moon
Over the ...

Moo.
Moo.
Moo with me.

Please, sir, could you give me a moo?

(Everyone starts mooing)

Yes.
Yes!
Moo with me!

Yes! Moo with me!
Yes, it sounds beautiful!
Let me hear you moo, New York City!
