Gazing through the window at the world outside
Wondering if mother earth will survive
Hoping that mankind will stop abusing her, sometime

After all there's just the two of us
And here we are still fighting for our lives
Watching all of history repeat itself, time after time

I'm just a dreamer, I dream my life away
I'm just a dreamer, who dreams of better days

I watch the sun go down like everyone of us
I'm hoping that the dawn will bring a sign
A better place for those who will come after us this time

I'm just a dreamer, I dream my life away, oh yeah
I'm just a dreamer, who dreams of better days
Your higher power may be God or Jesus Christ
It doesn't really matter much to me
Without each other's help there ain't no hope for us
I'm living in a dream, a fantasy
Oh yeah, yeah, yeah

If only we could just find serenity
It would be nice if we could live as one
When will all this anger, hate and bigotry be gone?

I'm just a dreamer, I dream my life away, today
I'm just a dreamer, who dreams of better days, ok
I'm just a dreamer, who's searching for the way, today
I'm just a dreamer, dreaming my life away
Oh yeah, yeah, yeah
