Times have changed and times are strange
Here I come but I ain't the same
Mama, I'm coming home

Times gone by seem to be
You could have been a better friend to me
Mama, I'm coming home

Took me in and you drove me out
Yeah, you had me hypnotized
Lost and found and turned around
By the fire in your eyes

You made me cry, told me lies
But, I can't stand to say goodbye
Mama I'm coming home
I could be right, I could be wrong
Hurts so bad, it's been so long
Mama, I'm coming home

Selfish love yeah, we're both alone
The ride before a fall
But I'm gonna take this heart of stone
I just got to have it all

I've seen your face a hundred times
Every day we've been apart
I don't care about the sunshine, yeah
Cause mama, mama I'm coming home
