Lyrics:Lina Nikolakopoulou

Pass the Flame
Unite the World
It's time to celebrate let our voices be heard

Pass the Flame
Unite the world
Bring us all together

We can grow a forest
On a dried up river bed
We can build a mountain
From a grain sand

Reach out, hold out your hands(x2)

Pass the Flame
Unite the World
It's time to celebrate let our voices be heard

Pass the Flame
Unite the world
Bring us all together

Pass the Flame
Unite the World (x5)

Reach out, hold out your hands
Reach out, hold out your hands

Pass the Flame
Unite the world
Pass the Flame
Unite the World (x5)
