I'm waiting for you baby, it's time for show and tell  
A prisoner I was captured, I'm under your spell  
I want to be your woman come on and be my man  
This feeling that I have for you I understand

This dream of love is restless, it really is so strong  
I want to give you all my love before it's too far gone  
Our love is like a lion, it's hungry for it's prey  
Come on and show your lovin', I really can't wait

Oh, I'm ready for your passion  
Oh, I'm looking for your lovin'  
Oh, I'm ready for your lovin'  
Oh, I'm ready for passion

This dream of love is restless, it really is so strong  
I want to give you all my love before it's too far gone  
Our love is like a lion, it's hungry for it's prey  
Come on and show your lovin', I really can't wait

Oh, I'm ready for your passion  
Oh, I'm looking for your lovin'  
Oh, I'm ready for your lovin'  
Oh, I'm ready for passion

I'm ready for your passion  
I'm looking for your lovin'  
I'm ready for your lovin'  
I'm ready for passion  
I'm ready for passion
