Looking for you  
Looking for me  
Looking for somewhere else to be  
Life is better when you're around

Take me out of this town  
Small minds can bring ya down  
Everything's better when you're around

[Chorus:]  
Put me in your spotlight  
It's been a permanent midnite  
Dim all the black lights  
It's been a permanent midnite  
Permanent midnite

Free my world, free my mind  
Free the life I hope to find  
Everything's better when you're around

I've been going nowhere fast  
Take the wheel, about to crash  
Everything's better when you're around

[Chorus:]  
Put me in your spotlight  
It's been a permanent midnite  
Dim all the black lights  
It's been a permanent midnite  
Permanent midnite

Come on now  
Shine...
