Hey, do it now, yeah hey

Yeah, once I was a boogie singer playin' in a rock 'n'
roll band
I never had no problems, yeah, burnin' down the one
nightstands
And everything around me, yeah, got to start to feelin'
so low
And I decided quickly, yes, I did to disco down and
check out the show

Yeah, they were dancin' and singin' and movin' to the
groovin'
And just when it hit me somebody turned around and
shouted

Play that funky music white boy, play that funky music
right
Play that funky music white boy
Lay down the boogie and play that funky music till you
die
Oh till you die, come on, play some electrified funky
music

Hey wait a minute, now first it wasn't easy changin'
rock 'n' roll and minds
And things were getting shaky, I thought I'd have to
leave it behind
Oh, but now it's so much better, it's so much better
I'm funk'in' out in every way
Never lose that feelin', no I won't, of how I learned my
lesson that day

When they were dancin' and singin' and movin' to the
groovin'
And just when it hit me somebody turned around and
shouted

Play that funky music white boy, play that funky music
right
Play that funky music white boy
Lay down the boogie and play that funky music till you

die
Till you die, oh till you die

Play that funky music
Got to keep on playing funky music
Play that funky music
