Bells will be ringing the glad, glad news
Ooh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again

Choirs will be singing Silent Night
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas, then by New Year's night

Friends and relations, send salutations
Sure as the stars shine above
Oh, it's Christmas, oh, Christmas time, my dear
The time of year to be with the one, one you love

Then won't you tell me, you'll never roam
Oh, Christmas and New Years will find you home
There'll be no more sorrow, no more grief, no more
pain
And I'll be happy, happy once again, yeah

Oh, no more sorrow, no more grief, no more pain
And I'll be happy, Christmas once again

I miss you baby
