When I see my baby, what do I see
Poetry, poetry in motion

Poetry in motion walkin' by my side
Her lovely locomotion keeps my eyes open wide
Poetry in motion, see her gentle sway
A wave out on the ocean could never move that way

I love every movement
And there's nothing I would change
She doesn't need improvement
She's much too nice to rearrange

Poetry in motion, dancing close to me
A flower of devotion, a swaying gracefully

Poetry in motion, see her gentle sway
A wave out on the ocean could never move that way

I love every movement
And there's nothing I would change
She doesn't need improvement
She's much too nice to rearrange

Poetry in motion, all that I adore
No number-nine love potion could make me love her
