If I were to say to you, "Can you keep a secret?"  
Would you know just what to do or where to keep it?  
Then I say, "I love you" and foul the situation  
"Hey girl I thought we were the right combination"

Who broke my heart?  
You did, you did  
Bow to the target  
Blame cupid, cupid  
You think you're smart  
Stupid, stupid

Shoot that poison arrow to my heart  
Shoot that poison arrow  
Shoot that poison arrow to my heart  
Shoot that poison arrow

No rhythm in cymbals, no tempo in drums  
Love on arrival, she comes when she comes  
Right on the target but wide of the mark  
What I thought was fire was only the spark

The sweetest melody is an unheard refrain  
So lower your sights, yeah but raise your aim, raise  
your aim

Who broke my heart?  
You did, you did  
Bow to the target  
Blame cupid, cupid  
You think you're smart  
Stupid, stupid

Shoot that poison arrow to my heart  
Shoot that poison arrow  
Shoot that poison arrow to my heart  
Shoot that poison arrow

I thought you loved me but it seems you don't care  
I care enough to know, I can never love you

Who broke my heart?

You did, you did  
Bow to the target  
Blame cupid  
You think you're smart  
That's stupid

Right from the start  
When you knew we would part

Shoot that poison arrow to my heart  
Shoot that poison arrow  
Shoot that poison arrow to my heart, heart, heart  
Shoot that poison arrow heart

Shoot that poison arrow  
Shoot that poison arrow
