I never thought that I could be so satisfied
Every time that I look in your angel eyes
A shock inside me that words just can't describe
And there's no explaining

Something in the way you move, I can't deny
Every word from your lips is a lullaby
A twist of fate makes life worthwhile
You are gold and silver

I said, I wasn't gonna lose my head but then
Pop! Goes my heart
(Pop! Goes my heart)
I wasn't gonna fall in love again but then
Pop! Goes my heart
(Pop! Goes my heart)

And I just can't let you go
I can't lose this feeling

These precious moments, we have so few
Let us go far away, where there's nothing to do but play
You've shown to me that my destiny's with you
And there's no explaining

Let's fly so high, will you come with me tonight?
In your dress, I confess, you're the source of light
The way you shine in the starry skies
You are gold and silver

I said, I wasn't gonna lose my head, but then
Pop! Goes my heart
(Pop! Goes my heart)
I wasn't gonna fall in love again, but then
Pop! Goes my heart
(Pop! Goes my heart)

And I just can't let you go
I can't lose this feeling

A twist of fate makes life worthwhile
You are gold and silver

I said, I wasn't gonna lose my head, but then
Pop! Goes my heart
(Pop! Goes my heart)
I wasn't gonna fall in love again, but then
Pop! Goes my heart
(Pop! Goes my heart)

I said, I wasn't gonna lose my head, but then
(I can't leave you now)
Pop! Goes my heart
(Pop! Goes my heart)
I wasn't gonna fall in love again, but then
(I can't leave you now)
Pop! Goes my heart
(Pop! Goes my heart)

And I just can't let you go
