Rammstein.
a man is burning.
Rammstein.
smell of flesh in the air.
Rammstein.
a child dies.
Rammstein.
the sun is shining.

(the following part in parenthesis is on the soundtrack edited!)

(Rammstein
a conflagration
Rammstein
blood clots on the asphalt
mothers cry
Rammstein
and the sun is shining)

Rammstein.
a mass grave.
Rammstein.
no escape.
Rammstein.
no bird sings ... any more.
Rammstein.
and the sun is shining.
