Now if you feel that you can't go on
Because all of your hope is gone
And your life is filled with much confusion
Until happiness is just an illusion

And your world around is crumbling down
Darlin' reach out come on girl reach on out for me
Reach out, reach out for me

I'll be there
With a love that will shelter you
I'll be there
With a love that will see you through

When you feel lost and about to give up
'Cause your life just ain't good enough
And your feel the world has grown cold
And your drifting out all on your own

And you need a hand to hold
Darlin' reach out, come on girl, reach on out for me
Reach out, reach out for me

I'll be there to love
And comfort you
And I'll be there
To cherish and care for you

I'll be there
To always see you through
I'll be there
To love and comfort you

I can tell the way you hang your head
Your not in love now, now your afraid
And through the tears you look around
But there's no piece of mind to be found

I know what your thinking,
You're alone now, no love of your own, but darling
Reach out, come on girl, reach out for me
Reach out, reach out, just look over your shoulder

I'll be there
To give you all the love you need
And I'll be there
You can always depend on me

I'll be there
To always see you through
I'll be there
To love and comfort you
