There was a melody  
Locked deep inside of me  
But now it's free  
It found a place embraced by harmony  
Sweet harmony

There is no curse or evil spell  
That's worse than one we give ourselves  
There is no sorcerer as cruel  
As the proud and angry fool

Love, more than anything  
Teaches our hearts to sing

Only love could break the shell  
Now I know very well  
The love within myself

The story's old we knew it well  
About a wretched evil spell  
The power that will break this curse  
Oh I know all too well  
Is locked within myself
