[dog bark 2x]

Bow wow wow, yippie yo yippie yay  
bow wow yippie yo yippie, yay

Cadillac by her side  
She was looking to fly  
Y'know I had to get that name and number  
Just like I did all the others  
I turned them all out  
She played right into everything I said  
Took me out and into bed  
She was running things instead  
I never gave a second thought about it  
Right then I knew she'd flipped it on me,  
she was reversal of the dog

[chorus]

How could she do that to me  
She knocked the hell out of me  
It was the  
It's the reversal of the dog  
I must be totally blind  
Completely out of my mind it was the total reversal

[rap]

I hope you're not  
Thinking that just a minute  
That refusing to let me in it  
I was winning  
You could win  
We could go for a ride  
But  
You told me I had to back up  
I was steddily coming at you flip the script  
and welcome to the flip side

[dog bark 2x]

Saw the girl the next day  
Trying to make my next play  
But she was nonchalant about it  
She knew I couldn't live without it

So she played me crazy  
That girl could  
Walk and she could pull my chain  
I would just do anything  
But dogging me was not the same  
I never could tell my boys about it  
Right then I knew she'd flipped it on me  
It was reversal of the dog  
[chorus]

[add to rap]  
Take a look and try to see whatwhat you try to be  
But theres a hook  
And let's agree that's it's only me  
Keeping the flip  
But you couldn't cuz you thought to far ahead for me  
Somebody already caught me

[new rap]  
It's reversal of the dog she turned out to be one  
Come to think about it  
I never thought that I'd see one  
My game was fat  
But baby tried to play me  
Glad don't you understand  
You can't fade me  
Would it be better if I screamed syonara  
Or would you think you could behave  
Or plan was good  
But I know how to handle it  
After you I'm laying low, no joke

Saw him next day  
Trying make the next play  
But I was nonchalant about it  
I knew he couldn't live without it  
So I played him crazy

That girl would bark and she would pull my chain  
I would just do anything  
But dogging me was not the same  
I never could tell my boys about it  
Right then I knew she'd flipped it on me  
It was reversal of the dog

[chorus]

I'll play at your game  
I'll put you to shame  
So why can't you see  
You're just a dog to me
