When it feels like the world is on your shoulders  
And all the madness has got you going crazy  
It's time to get out, step out into the street  
Where all of the action is right there at your feet

Well, I know a place where we can dance the whole  
night away  
Underneath the electric stars  
Just come with me, and we can shake it loose right  
away  
You'll be doing fine once the music starts, oh

Feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind  
You can leave them all behind  
Feel the beat of the rhythm of the night  
Oh, the rhythm of the night, oh yeah

Look out on the street, now, the party's just beginning  
The music's playing, a celebration's starting  
Under the streetlights, the scene is being set  
A night for romance, a night you won't forget

So come join the fun, this ain't no time to be staying  
home  
Ooh, there's too much going on  
Tonight is gonna be a night like you've never known  
We're gonna have a good time the whole night long

Feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind  
You can leave them all behind  
Feel the beat of the rhythm of the night  
Oh, the rhythm of the night, oh yeah

So come join the fun, this ain't no time to be staying  
home  
Ooh, there's too much going on  
Tonight is gonna be a night like you've never known  
We're gonna have a good time the whole night long

Feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind  
You can leave them all behind  
Feel the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind

Feel the beat of the rhythm of the night  
Forget about the worries on your mind  
Feel the beat of the rhythm of the night  
Forget about the worries on your mind

The music's playing, it's a celebration's  
The music's playing, everybody dance

Feel the beat of the rhythm of the night  
Forget about the worries on your mind  
'Cause you can leave them all behind  
Feel the beat of the rhythm of the night  
And dance until the morning light  
Forget about the worries on your mind  
You can leave them all behind

Feel the beat of the rhythm of the night
