All the world is watching
All the world does care
Even when the world weighs on my shoulder now,
These feelings I can bare
Because I know,
That you're here,

[chorus:] [2x]
Everywhere I go,
I know you're not far away,
You're right here
You're right here, yeah

All these thoughts I've wasted,
All these thoughts I fear,
Even when these thoughts have faded,
I still know that you're here,
So I can rest my hope in You

[chorus:]
Everywhere I go,
I know you're not far away,
You're right here
You're right here, yeah

Many of times that I have felt alone,
Many of times that I have the world was crashing down
upon me,
You always stood here by my side,
You were always there.

[chorus:] [4x]
Everywhere I go,
I know you're not far away,
You're right here
You're right here, yeah
