If you're on the highway and Road Runner goes beep,
beep

Just step aside or might end up in a heap
Road Runner, Road Runner runs on the road all day
Even the coyote can't make him change his ways

Road Runner, the coyote's after you
Road Runner, if he catches you you're through
Road Runner, the coyote's after you
Road Runner, if he catches you, you're through

That coyote is really a crazy clown
When will he learn that he can never mow him down?
Poor little Road Runner never bothers anyone
Just runnin' down the road's his idea of having fun
