[Same in Any Language by I Nine]

Sometime ago I met a Navajo
in a parking lot in Tokyo
he said everything wordlessly
Wonderlust in my eyes, he did see
oh yea
oh oh yea

Those postcards I sent to Birmingham
all the way from those windows of Amsterdam
I copped a gram from Dappersan
Just to fall at her man in another jam
oh yea
oh oh yea

Its the same in any language
a brother is a brother if there's one thing I know
its the same in any language
wherever you go
oooo yea

I ran out of Jack in Tripoli
oh those freedom fighters they were good to me
they asked me all about Tennessee
and on one thing we all did agree
ooooo yea
yea oh oh yea

Its the same in any language
a brother is a brother if there's one thing I know
its the same in any language
wherever you go
wherever you go
where are you going
to o no no
no no where are you going to
where you going to
everything is...
say say say say say where are you going to
so where are you going to

I say where are you going?
hoo hoo yea
