I wake in the night to find you on my mind  
Deep in a dream you'll always be until the end of time  
I look in your eyes, they touch my soul  
My love is hard to hide  
I'm never alone when we're apart  
I feel you by my side

And here in my heart  
Where no one else will ever be  
I know who you are  
So lock the door and throw away the key

Save all your love  
Save your love for me  
When I'm alone at night  
You're all I see

Ooh, I wake from a dream  
I see you by my side  
How could I belong to someone else  
When holding you feels so right?

And here in my heart  
Where no one else will ever be  
We've made it so far  
So lock the door and throw away the key, yeah

Save all your love  
Save all your love for me  
When I'm alone at night  
You're all I see

Save all your love  
Save your love for me  
Don't turn your back on me  
You're all I need

I know who you are  
We've come so far  
So baby, stay with me, yeah

Save all your love  
Save your love for me  
Don't turn your back on me  
You're all I need, my love

Save your love  
Save all your love  
Oh, baby, save your love  
Oh, oh, ooh, oh
