I wake in the night to find you on my mind
Deep in a dream you'll always be until the end of time
I look in your eyes, they touch my soul
My love is hard to hide
I'm never alone when we're apart
I feel you by my side

And here in my heart
Where no one else will ever be
I know who you are
So lock the door and throw away the key

Save all your love
Save your love for me
When I'm alone at night
You're all I see

Ooh, I wake from a dream
I see you by my side
How could I belong to someone else
When holding you feels so right?

And here in my heart
Where no one else will ever be
We've made it so far
So lock the door and throw away the key, yeah

Save all your love
Save all your love for me
When I'm alone at night
You're all I see

Save all your love
Save your love for me
Don't turn your back on me
You're all I need

I know who you are
We've come so far
So baby, stay with me, yeah

Save all your love

Save your love for me
Don't turn your back on me
You're all I need, my love

Save your love
Save all your love
Oh, baby, save your love
Oh, oh, ooh, oh
