Look  
We Gotta Talk  
Dang! I know, I know  
It's just some things  
I gotta get off my chest  
Alright  
Yeah  
Oh ooh oh ooh oh ooh oh

[Verse 1]

Baby come here and sit down, let's talk  
I got a lot to say so I guess I'll start by  
Saying that I love you  
But you know, this thing ain't been  
No walk in the park for us  
I swear it'll only take a minute  
You'll understand when I finish, yeah  
And I don't wanna see you cry  
But I don't wanna be the one to tell you a lie so

[Hook]

How do you let it go?  
When you  
You just don't know?  
What's on  
The other side of the door  
When you're walking out, talk about it  
Everything I tried to remember to say  
Just went out my head  
So I'ma do the best I can to get you to understand  
Cause I know...

[Chorus]

There's never a right time to say goodbye  
But I gotta make the first move  
Cause if I don't you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl it's not you, it's me  
I gotta gotta figure out what I need  
Oh  
There's never a right time to say goodbye

But we know that we gotta go  
Our separate ways  
And I know it's hard but I gotta do it  
And it's killing me  
Cause there's never a right time  
Right time to say goodbye

[Verse 2]

But now your heart is breaking  
And a thousand times I  
Found myself asking, "Why? Why?"  
Why am I taking so long to say this?  
But trust me, girl I never  
Meant to crush your world  
And I never  
Though I would see the day we grew apart  
And I wanna know

[Hook]

How do you let it go?  
When you  
You just don't know?  
What's on  
The other side of the door  
When you're walking out, talk about it  
Girl I hope you understand  
What I'm tryna say  
We just can't go on  
Pretending that we get along  
Girl how you not gonna see it?

[Chorus]

There's never a right time to say goodbye  
But I gotta make the first move  
Cause if I don't you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl it's not you it's me  
I gotta gotta figure out what I need  
Oh  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard but I gotta do it  
And it's killing me  
Cause there's never a right time  
Right time to say goodbye

[Bridge]

Listen to your heart  
Girl you know,  
We should be apart, baby I

I just can't do it  
I, I just can't do it  
Listen to your heart  
Girl you know  
We should be apart, baby I  
I just can't do it  
And sometimes it makes me wanna cry  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh [x2]  
Do you hear me crying?  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
There's never a right time...

[Chorus] [x2]  
There's never a right time to say goodbye  
But I gotta make the first move  
Cause if I don't you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl it's not you it's me  
I gotta gotta figure out what I need  
Oh  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard but I gotta do it  
And it's killing me  
Cause there's never a right time  
Right time to say (echos then fades)
