I've got sunshine on a cloudy day  
Got a lovely little lamp  
In my brain

I've got you and me  
That's a family  
Let's sail the seven seas  
And see what we see

'Cause life is silly  
If you see like me  
So please  
Don't take life so seriously

I've got you and me,  
That's a family  
Let's sail the seven seas  
And see what we

Ahhh...  
Ahhh...  
Ahhh...  
Ahahahah...  
Ahahahah...

Because life is so hard to explain  
I've got chemicals swirls  
In my brain

I've got you and me  
That's a family  
Let's sail the seven seas  
And see what we see

'Cause life is silly  
If you see like me  
So let's play pretend  
And make believe

I've got you and me,  
That's a family  
Let's sail the seven seas

And see what we

Ahhh...

Ahhh...

Ahhh...

Ahahahah...

Ahahahah... [x2]

'Cause life is just a melody [x4]

So why don't all the pissy people

Go ahead and sing it with me

Everybody sing it with me

Life is just a melody

So why don't all the pissy people

Go ahead and sing it with me

Ahh...
