When you just give love  
And never get love  
You better let love be part

I know that it's so  
And yet I know  
I can't get you out of my heart

You made me leave my happy home  
You took my love and now you've gone  
Since I fell for you

Love brings such misery and pain  
I guess I'll never be the same  
Since I fell for you

Well it's too bad  
And it's too sad  
But I'm in love with you

You love me, then you snub me  
But what can I do  
I'm still in love with you

Well I guess I'll never see the light  
I get the blues most every night  
Since I fell for you, since I fell for you
