[Third Eye Blind - Semi-Charmed Life]

I'm packed and I'm holding  
I'm smiling, she's living, she's golden  
She lives for me, says she lives for me  
Ovation, her own motivation  
She comes round and she goes down on me  
And I make her smile, like a drug for you  
Do ever what you wanna do, coming over you  
Keep on smiling, what we go through  
One stop to the rhythm that divides you  
And I speak to you like the chorus to the verse  
Chop another line like a coda with a curse  
Come on like a freak show takes the stage  
We give them the games we play, she said...  
I want something else, to get me through this  
Semi-charmed kinda life, baby, baby  
I want something else, I'm not listening when you say  
good-bye  
The sky was gold, it was rose  
I was taking sips of it through my nose  
And I wish I could get back there, someplace back  
there  
Smiling in the pictures you would take  
Doing crystal myth, will lift you up until you break  
It won't stop, I won't come down  
I keep stock with the tick-tock rhythm, I bump for the  
drop  
And then I bumped up, I took the hit that I was given  
Then I bumped again, then I bumped again  
I said...  
How do I get back there, to the place where I fell asleep  
inside you  
How do I get myself back to the place where you said...  
I want something else, to get me through this  
Semi-charmed kinda life, baby, baby  
I want something else, I'm not listening when you say  
good-bye  
I believe in the sand beneath my toes  
The beach gives a feeling, an earthy feeling  
I believe in the faith that grows

And the four right chords can make me cry  
When I'm with you I feel like I could die  
And that would be all right, all right  
And when the plane came in, she said she was  
crashing  
The velvet it rips in the city, we tripped on the urge to  
feel alive  
Now I'm struggling to survive, those days you were  
wearing that velvet dress  
You're the priestess, I must confess  
Those little red panties they pass the test  
Slide up around the belly, face down on the mattress  
One  
And you hold me, and we're broken  
Still it's all that I wanna do, just a little now  
Feel myself, head made of the ground  
I'm scared, I'm not coming down  
No, no  
And I won't run for my life  
She's got her jaws now, locked down in a smile  
But nothing is all right, all right  
And I want something else, to get me through this life  
Baby, I want something else  
Not listening when you say...  
Good-bye, good-bye, good-bye  
Good-bye  
The sky was gold, it was rose  
I was taking sips of it through my nose  
And I wish I could get back there  
Someplace back there, in the place we used to start  
I want something else
