Sunny day, sweeping the clouds away
On my way to where the air is sweet
Can you tell me how to get
How to get to sesame street
Come and play, everything's A-okay
Friendly neighbors there
That's where we'll meet
Can you tell me how to goet
How to get to Sesame Street?

Oh who are the people in your neighborhood
In your neighborhood, in your neighborhood
The people that you meet each day

Oh the fireman is brave it's said
His engine is a shiny red
If there's a fire anywhere about
He'll do his best to put it out

Oh the fireman is a person in your neighborhood
In your neighborhood, in your neighborhood
The fireman is a person in your neighborhood
He's a person that you meet
Wen you're walking down the street
He's a person that you'll meet each

Sunny day sweeping the clouds away
On my way to where the air is sweet
Can you tell me how to get
How to get to Sesame Street?
How to get to Sesame Street?
How to get to Sesame Street
