All right yeah

I met this girl around quarter to ten
We made it once she said, "Make me again"
She wrapped her love around me all night long
In the mornin' we were still goin' strong

Now let me tell you, it sure feels good
First time I saw that girl I knew it would
Now let me tell you, it sure felt right
No pullin' teeth, she didn't wanna fight

She said, "Shake me, all night"
She said, "Shake me
Shake it don't break it baby"
Shake me all night
She said, "All night long"
All night long baby

Screamed and scratched and rolled out of the bed
I never really got her out of my head
And now and then she makes those social calls
Gives me a squeeze gets me kickin' the walls

Now let me tell you, it still feels tight
And we were shakin' after every bite
I feel her comin' in the middle of the night
Screamin' higher

Shake me all night
She said, "Shake me
Shake it don't break it baby"
Shake me all night
She said, "Shake me"
Ooh yeah

All night, keep the fire burnin'
'Cause we're doin' all right
All night
Come on and shake it right

Shake me, shake me

Shake me, shake me

Shake me all night
She said, "Shake me
Shake it don't break it baby"
Shake me all night
She said, "Shake me"
Ooh yeah

Shake me, shake me
Shake me, shake me
Shake me, shake me
